- i) The purpose of the investment policy is, first, to safeguard the funds of the Association and, secondly, to produce as high an interest income as possible. The Treasurer, with Board approval, invests NMAFSAA funds. A review of investments is performed annually by the Board. This policy includes both the NMAFSAA General (checking and savings accounts) Fund and the NMAFSAA Reserve Fund. The Treasurer, with Board approval, is authorized to invest in: Treasury Bills, Certificates of Deposit, Short Term Bonds, and Short Term Notes. The Finance Committee reviews the fund annually during the audit and the Board reviews the fund quarterly. Any change in the amount of the fund requires a majority vote of the Board.
- ii) The intent of said fund is to maintain capital to meet unusual income shortfalls. Any withdrawal from the fund is defined as capital liquidation and therefore, should be considered an extreme measure. Withdrawal from this fund requires a majority vote of the Board.
- iii) The reserve fund is maintained in a separate interest-bearing account and managed according to sound financial investment policies. A separate section of the Treasurer's Report details the balance of the fund and interest earned. Any adjustment required to maintain the reserve minimum shall be made at least annually.

**d) Revenue and Expenditures**

- i) It is essential that the Treasurer manage all NMASFAA funds. All income shall be deposited into a NMASFAA account and all expenses paid from the same account. This simplifies and expedites the filing of the IRS tax return and the annual audit. It also facilitates cash flow and maximizes interest income. The following outline details specific policies and procedures with respect to NMASFAA funds management.
- ii) The Treasurer maintains all of NMASFAA financial transactions. This includes all check writing to issue refunds and pay the Association's expenses. The treasurer is also responsible for receiving all income. All bank statements & reports must be accessible to the Treasurer, the President, and Treasurer-elect. The same three officers also have access to Online Quickbooks.
- iii) Checks for \$500.00 or more require both the Treasurer's and the President's signatures. The address of the Treasurer's home institution shall appear on the

account. All NMASFAA income and expenses pass through said checking account. Deposits must be made in a timely fashion (within seven working days). Accounts payable must be paid within 30 days.

All workshop expenses shall be paid from the NMASFAA checking account. All invoices, contracts, etc., require completed, signed, and dated expenditure forms.
- vii) The Treasurer receives all membership dues. Said dues shall be deposited within seven working days to the NMASFAA checking account. Membership list will be verified by Treasurer.
- viii) Debit/credit cards shall be issued to the President, Treasurer, and Treasurer-elect. At the start of each calendar year, the past president will notify the bank regarding new officers. New officers should be present for issue of debit/credit cards and removal of outgoing officers should be done at this time which would include turning in and shredding of the old debit/credit cards. The debit/credit cards should have an expiration date of one year from the start of their term, January through December. The Debit/Credit Card Letter of Understanding (in the appendix) should be signed with a wet signature by all officers who have a debit/credit card. The Past President will be responsible for keeping the letters of understanding on file. Debit/credit cards may only be used for charges that are related to NMASFAA expenses guidelines. Card charges for items not related to official NMASFAA duties may result in the termination of card privileges and require the holder to surrender the card to the NMASFAA Treasurer or President. The use of cards for any non-NMASFAA related purchases is strictly prohibited and will be dealt with swiftly. Debit/credit card charges that are not documented nor have receipts within 30 days of the date they were charged will be billed and the responsibility of the card holder to reimburse NMASFAA.
- ix) NMASFAA is a tax exempt organization as classified under Internal Revenue Service code 501 (c) (3) and is exempt from the payment of various federal and state taxes including the common sales tax. Effective January 1, 1991, it is the responsibility of each Board and committee member to follow through on this exemption. When making purchases or contracting for services, the NMASFAA representative advises the vendor of the tax exemption in advance. By doing so, sales tax charges shall be precluded. If necessary, the representative provides a tax

exempt certificate, as provided by the Treasurer. Said representative reviews all charges carefully and, if in doubt, contacts the Treasurer or Finance Committee Chairperson. The Treasurer is responsible for the filing of appropriate papers to the New Mexico Commission of Incorporation and IRS.

**e) Stale Checks**

- i) All NMASFAA checks will become VOID after 1 year. If a check becomes void it is the payee's responsibility to request, in writing for a duplicate to be issued.
- ii) A stale check, later reissued, will be charged to the same account from which it was originally issued if the fiscal year records remain open on an account in the current year title "Prior Year(s) Expenditures" should the stale check be from a closed prior fiscal year. An ongoing "Stale Check Record" will be maintained as, a part of NMASFAA permanent financial records. Said report is not openly publicized to the membership but a copy will be made available upon request to any member.
- iii) By declaring a check stale, NMASFAA is not relinquishing its obligation to the payee.

**f) Contract Signing**

- i) Purchases, commitments, contracts, etc. which are greater than \$750.00 require a written contract. Contracts greater than \$5,000.00 requires the Board's approval before the President may sign said contracts. - iii) The President signs all contracts. The President-Elect may sign in the event that the President is unavailable.
- iv) The word "contract" in this policy includes purchase orders, letters of intent, and the like.

**g) Archives**

- i) NMASFAA records are currently maintained by many people throughout the year including Board members and Committee Chairpersons and other NMASFAA members serving on the various committees. These records are often held by said NMASFAA members for varying lengths of time depending on the positions they serve. Sometimes, the records are passed on from one member to his/her replacement. At other times, information is retained because the individual may not be sure how relevant it is. The following guidelines provide for proper archiving.

- ii) Records should be sent to the Treasurer on an annual basis or throughout a given year if possible. This includes brochures related to training and/or the annual conference, newsletters, photos, and any other records the individual feels would be archival material. The Treasurer is not required to decide whether materials are to be retained. The Treasurer with board approval will make a decision. Also, the Secretary should forward copies of all NMASFAA Board and Membership Minutes, Treasurer's Reports, By-Law Changes, budgets, President's Reports, Committee Reports, and any other documentation coming to the attention of the Board.

**h) Conference/Workshop Registration/Complimentary Rooms**

- i) The Board establishes the annual dues for NMASFAA. The membership year is January 1 through December 31. If NMASFAA is asked to bill for dues after the conference, the conference attendee would be considered an unpaid member and as such could not participate in voting and would pay the nonmember conference fees.
- ii) All requests for refunds shall be made to the Treasurer. Refunds shall be granted according to the refund policy outlined on the conference registration form. The Treasurer shall confirm receipt of the fee and issue the refund. Exceptions for extenuating circumstances may be granted upon approval of the Treasurer and President.
- iii) NMASFAA members who serve as conference speakers/presenters may not be reimbursed for any personal expenses related to the conference (i.e., registration, transportation or room and board) or paid a fee or honorarium. This policy also applies to individuals who work for agencies dealing with financial aid (e.g., ACT, CSS, etc.).
- iv) An exception to this policy may be made by the President for those members who are non-practicing financial aid administrators who could otherwise not receive reimbursement for their expenses.
- v) Reimbursement to conference/workshop presenters for duplicating materials is an authorized expense. Expenditure forms must be submitted to the Treasurer within 30 days of the event.
- vi) The President-Elect will ask if the nonmember speakers will charge any additional fees (i.e., honorariums, stipends) and approval of the Board is needed before final commitments are to be made. Any speaker honorariums of \$500.00 or more requires a written contract, reviewed and signed by the President.
- vii) Contracts with hotels for NMASFAA conferences will provide for the following, to the extent possible: one (1) complimentary room to be assigned by the Board.
- viii) The SWASFAA President will receive a complimentary hotel room and conference registration will be waived if they attend one NMASFAA Function.

## **i) Campaign Guidelines**

- i) The following guidelines ensure consistency and avoid the potential for negative reaction to campaign practices.
- ii) Candidates must be paid members of NMASFAA and must submit a resume to the NMASFAA Secretary to be posted on the website with all election material. So that no candidate is precluded from running for office, promotional campaign materials cannot be distributed. Verbal endorsements from NMASFAA members are encouraged. Candidates should be prepared to discuss their views, if asked, by other NMASFAA members. All candidates should be willing to contribute their best effort to NMASFAA if elected.

## **j) Nominations and Elections**

Strong leadership and participation are necessary for a strong association. These guidelines exist so that the best people are nominated and elected to office.

### **i) Nomination Procedures**

- (1) The NMASFAA Board contacts the Nominations, Elections, and By-Laws committee for potential board officers. The committee will solicit candidates from Directors at member institutions. The Board prepares a slate of officer candidates before the Fall business meeting. To achieve a broad and equitable balance in selecting the candidates for office, the Board selects individuals based on the types of institutions, areas of the state, ethnicity, and gender to select the most qualified and committed individuals. Candidates should have the support of their institution.
- (2) During the Fall NMASFAA Business Meeting, the President presents the slate of candidates and calls for open nominations, by voting members, from the floor.

### **ii) Nominee Information**

- (1) Nominees must submit a resume to the NMASFAA Secretary by November 20. If a resume is NOT received by said date, the nominee will not be placed on the ballot. Copies of the resumes are then posted to the website for the membership for review.

### **iii) Elections**

- (1) Elections are held in December. Voting will be conducted online and will remain open on the NMASFAA website for 10 days. Each candidate's

resume will be available online for viewing. The Parliamentarian, or other designated election official, will tally the votes and the decision is given to the President for immediate announcement.

- (2) Each position (President-Elect, Treasurer-Elect, Secretary, and Parliamentarian) requires a majority of the votes cast to win. If there is a tie vote, out of three or more candidates then a second election will be conducted for that position. Otherwise the NMAFSA Board of Directors will make the final decision.

**k) Travel Guidelines & Reimbursement Procedures for required meetings by Board and committee members.**

- i) Existing NMAFSA forms and guidelines must be used for all approved expenses and be submitted to the President for approval and payment. The committee budget proposal must be approved by the Board prior to any travel or other committee expenditures.
- ii) It is recommended that members be reimbursed for expenses only if they are present for the duration of the meeting. The execution of this policy is left to the discretion of the President or the committee chair. Exceptions may be approved in the case of an emergency or when prior approval has been obtained. Reimbursement forms should be submitted within 30 days of the meeting and will not be accepted if submitted more than 30 days after the event has occurred.
- iii) The general policy of NMAFSA with regard to travel is that the individual pay all expenses and file a reimbursement form. If a problem occurs in meeting an obligation to attend a meeting or function of the Board or committee, advances may be obtained for extremely critical situations. Such actions require the approval of the Board.
- iv) Members of the Board and committees will not be reimbursed for travel to meetings held in conjunction with the conference. Hotel and meal expenses will be reimbursed for any days prior to or after the conference that are required for Board or committee business, if it can be reasonably expected that they would not have been incurred for conference attendance.
- v) The following guidelines govern expenses for travel:
  - (1) General – Expenses associated with NMAFSA activities must be filed on the appropriate expense form, which must be accompanied by required receipts for airline tickets, hotel bills, taxis, parking, meals, etc. Travel claims should be submitted within 30 days after a meeting and will not be accepted if submitted after that.

- (2) Transportation-Airline – Members are asked to make flight reservations as soon as meeting dates are confirmed to obtain the lowest airfares. If a meeting has been cancelled, or an emergency occurs, the Association will cover the penalty costs involved. Travel by air shall be coach class. Air travel within the state must be pre-approved by the Board.
- (3) Automobile – Reimbursements for use of a private automobile will be at a rate approved by the Board. The Board must grant prior approval for use of a rental car. If a school vehicle is used, a check will be written to the school.
- (4) Taxi or Ferry - Ground transportation to/from meeting and lodging facilities shall be approved, provided they are reasonable, but shall not include ground transportation costs for personal choice beyond the initial expenditure to reach the facility (for example, cab fares for dinner at a restaurant away from the facility when food is available at the hotel). All transportation costs must be supported by receipts. If parking charges are incurred, receipts must be submitted for charges in excess of \$3.
- (5) Hotel Accommodations – NMASFAA president will make hotel arrangements for committee members, except for meetings held in conjunction with the NMASFAA conference or Business Meeting. Reservations will generally be made for the nights prior to the day of the meeting unless the meeting is held late enough in the day to allow members sufficient time to travel on the day of the meeting.
  - (a) Rooms will be reserved for board and committee members. If different accommodations are requested, the difference in cost will be a personal expense. If additional nights are required, or if an individual's plans change, members are required to contact the Presidents as soon as possible to avoid paying for unused rooms.
  - (b) Members who fail to advise the President of a change in schedule will be billed for any hotel expense incurred. Members may make their own reservations and stay at another location; however, reimbursement will be limited to the rate at the primary hotel.
- (6) Meals – If meals are provided at a NMASFAA meeting, other eating arrangements will be a personal expense. Members will be allowed \$30 per day (in New Mexico) if NMASFAA does not provide meals. When traveling outside of New Mexico, actual expenses will be paid for all meals not provided at the meeting. (For example, dinner is generally not provided at the Leadership Conference, but breakfast and lunch is provided; in this case, NMASFAA will only reimburse members for dinner.)
- (7) Tips – Reasonable tips to hotel and transportation personnel will be reimbursed. Tips for meals should be included in the costs of the meal.

- (8) Telephone – Only phone calls for NMASFAA business may be claimed.
- (9) Alcoholic beverages – Costs for alcoholic beverages are a personal expense, not reimbursable by the Association.

**Requests for reimbursement must be submitted within 30 days of travel/purchase.**

**l) List Serv**

- i) **NMASFAA LIST SERV** - NMSU has agreed to maintain the list serve. All paid members are entitled to access the List Serve. At the beginning of the year (January) the Treasurer will contact NMSU to determine who the contact person is. The Treasurer will request a list of all current members on the List Serve. After comparing the names with the list of paid members, the Treasurer will notify NMSU of any person who is no longer entitled to access the NMASFAA List Serve (i.e., persons who are not current with dues). New members will be added to the List serve.

**m) Approval of the Policies and Procedures**

- i) Changes to the NMASFAA Policies and Procedures requires a majority vote of the Board of Directors.
